

... More New Faces

John McCullough, Suzanne Frye, and Mary Henderson, new members of the MSA product team.

Suzanne Frye, RN, BSN, MS, CNOR

Suzanne Frye has joined MSA as a Clinical Product Manager. Her focus is on clinical applications for our Carelink product. Suzanne is a Clinical Nurse Specialist in Perioperative Nursing with a Master's degree from the University of Wisconsin. She comes to us with 20 years of experience in nursing. In addition to her position at MSA, she serves as first assist for open heart surgery at Duke University Medical Center.

Mary Henderson, RRA

Mary Henderson, an Implementation Specialist, will be performing the implementation and training of our document management systems, quality management, medical records, and chart management. Mary has worked in the health information management industry since 1987 and holds a BS in Medical Record Administration from Eastern Carolina University. She is very active in AHIMA, serving on numerous committees, including the Quality Assurance Section, the Strategic Planning Committee, the HIM Initiative Committee, and the Legal Affairs Committee.

John McCullough, RRA

John McCullough has joined MSA as our Medical Records Product Manager. In addition to medical record applications, he will be working with MSA's document management system. John brings with him a BS in Health Information Administration from the Medical University of South Carolina. He has been working in the industry since 1987, performing system installations, training, and product demonstrations, and managing medical records department operations.
