

Kartridges For Kidz

Printer cartridge recycling program

This is a recycling/buy-back program for empty laser and inkjet cartridges.

All you have to do is collect empty toner cartridges to recycle and deposit them into the collection buckets in the school lobby or computer labs. Your donations from home or classroom takes something that folks usually throw away and turns it into CA\$H or free supplies for Powell!

Each time we collect 30 cartridges, the buckets are emptied and Powell receives a check or free supplies on the spot! These monies help support our computer labs.
